Tuition for Nursery School is computed on a monthly basis. The tuition payment for the month is due on the first day of each month that your child attends School. An invoice detailing your charges will be emailed at the beginning of each month.

Day Care tuition is computed daily and payment is requested on the first day of the week that your child attends after receiving the amount, (usually by the end of the weekend through email). All other arrangements for payment must be made directly with Susan.

There is a discount if more than one child in a family attends or the weekly amount exceeds the limit set by the Director.

Refunds **will not** be given for sick days or any other days the parent decides not to bring their child. A slot is being held for your child, even when out due to illness, vacations, etc. Parents are required to give the school a 2 week written notice if they voluntarily withdraw their child from the program. Parents are responsible for tuition for those 2 weeks. After that, refunds will be given.

An overdue balance exceeding one week of full daycare or one month of preschool tuition may result in a suspension of services until the balance is paid. When a consistent or significant lack of payment continues, services may be terminated.
